Dear Ralph and Monica,

On behalf of my colleagues on Council I want to congratulate you and your business for being named a winner of the *NOW Newspaper* Readers' Choice "2011 Best of the Peninsula" award for Best Fish and Chips on the Peninsula.

To be recognized for excellence in today's business climate is indeed commendable. We know such recognition is a direct result of your hard work, perseverance, and passion – and mostly hard work. Council values the contribution our businesses make to the vitality of White Rock, and we know residents place a high value on being able to shop locally as well.

Thank you for all you do for White Rock and our residents, and best wishes for the continuing success of your business in the years to come.

Sincerely,

Wayne Baldwin
